Kids Money Kit

Free starter pack

Teach spend, save and give with simple printables your kids can actually use. Made by a mom of two daughters, for families learning money together.

Inside

- 3 jar labels: Spend, Save, Give
- Savings goal tracker
- How to start this week

For personal and classroom use. Educational only, not financial advice. © 2026 moneyglass

START THIS WEEK

Three steps, ten minutes

1. **Tape the labels on three jars.**
   Clear jars work best, so they can see it grow.

2. **Split the next $10: $5 · $4 · $1.**
   Spend, Save, Give. Save goes in first.

3. **Pick a goal for the tracker.**
   Something they choose, worth waiting a few weeks for.

Want the full kit?

The full Kids Money Kit adds a chore & earn chart, 8 money word cards, 10 kitchen-table questions and a parent guide by age.
